

ABOUT

MR. ANAND SHETH

Mr. Anand Sheth - Director (BOLT Tanks Pte. Ltd), has a rich background in shipping and logistics, and has extensive experience in working with the fraternity of forwarders, CHAs, transporters, NVOCCs, shipping lines, etc. Widely recognised as a young and dynamic leader, his motivation lies in bringing fresh thought to unlock greater value in logistics through an innovative and solutions driven approach.

Being a part of the core management team of the Saksham Group of Companies, he heads BOLT Tanks Pte. Ltd, a Singaporean headquartered company, with his focus dwelling on end-to-end solutions for liquid logistics movement and ancillary operations.

His experience and keen eye for opportunities has played a pivotal role in BOLT's growth, positioning the brand as a powering force in its segment.

Anand graduated from Purdue University, Indiana as a mechanical engineer and is certified by IICL for Container Inspection. He also holds a diploma in Advanced Freight Forwarding from FFFAI.
