

GALLE-UDAWALAWA 1N/2D

Your Chauffeur/Guide will meet you at the hotel, proceed to Galle.

- **KOSGODA SEA TURTLE HATCHERY** – A vital conservation initiative aimed at protecting endangered sea turtles. These facilities provide a safe environment for turtle eggs to hatch, ensuring the survival of vulnerable hatchlings. Dedicated to preserving marine biodiversity, hatcheries often engage in educational efforts to raise awareness about sea turtles' threats and promote responsible conservation practices. Witness the marvel of newly hatched turtles and learn about ongoing conservation efforts.
- **AMBALANGODA MASKS** – Begin your tour in the small amazing town of Ambalangoda, located along the coastal ride towards Galle, where you will see elaborate masks on display. A town famous for the carving of masks used in ceremonies and several forms of dance-drama by the local cultures of the country.
- Arrive & set on a city tour.
- **GALLE FORT** – A UNESCO heritage site, features well-preserved Dutch colonial architecture, including ramparts, bastions, and a distinctive layout that reflects both European and South Asian influences. The fortification is characterized by its solid walls and gateways, still intact and providing a glimpse into the past.

- **UDAWALAWA NATIONAL SAFARI PARK** – is best known for its large population of elephants. Visitors have excellent opportunities to observe these majestic creatures in their natural habitat, often in large herds. Features vast grasslands, scrublands, and the Udawalawe Reservoir, which attracts a variety of wildlife.. Experience a guided safari through the park, to spot wildlife and information about the flora and fauna.
- **ELEPHANT TRANSIT HOME** - Adjacent to the park is the Elephant Transit Home, a facility dedicated to the rehabilitation and release of orphaned elephant calves. It provides visitors with insights into elephant conservation efforts in Sri Lanka. One of the highlights of visiting the Elephant Transit Home is witnessing the feeding sessions. Trained caretakers provide milk feeds to the young elephants at specific times of the day, mimicking natural feeding patterns.
