

Guided Panoramic City Tour of Colombo for Guests

Embark on an immersive city tour of Colombo, Sri Lanka's largest city and former administrative capital. Colombo is a bustling, vibrant metropolis that seamlessly blends modern life with the remnants of its colonial past. Known to ancient traders for over 2,000 years due to its large harbor and strategic position along East-West Sea trade routes, Colombo became the island's capital when Sri Lanka was ceded to the British Empire in 1815. Today, Colombo is the heart of Sri Lanka's corporate, cultural, and culinary scenes, boasting a myriad of corporate offices, restaurants, and entertainment venues.

**Pick-up from designated location in Colombo at 7.00 AM.
